Miraj Hammam is the only one of its kind in Canada, though Hammam and Gommage treatments have been a part of Middle Eastern cultures since 600 A.D. The Hammam cleanses the body in low mist and high intensity steam chambers, while stimulating the senses and imagination. Afterwards, clients experience an invigorating, full body Gommage using authentic black Moroccan Soap, as they lay on Jerusalem gold marble. After a full body massage, clients are taken to the Sultana room, where they enjoy Arab mint tea and sweet cakes in the luxury of its rich fabrics.
